Danger Den LLC assumes no liability whatsoever, expressed or implied, for the use or installation of this product. These installation instructions are subject to change without notice.

(2) 2-56 x 1/4" long screws with washer and o-ring are required for secure mounting.

Tighten screws until O-Ring diameter is equal to or slightly greater than the diameter of the washer.

**Caution:**  
Do Not overtighten screws. Installing the screws too tight may cause video card to bend. If video card show signs of bending, loosen screws slightly and recheck videocard for bending.
